

Mega Fries

Vizu Mega Fries

- Heated above by overhead heat lamps and from beneath the dump area to maintain a consistent temperature. – to be used with cooked products only
- The front and rear lamps are controlled separately allowing energy to be conserved when appropriate.
- The dump area is large with a divider to keep a variety of products including chips, onion rings, potato wedges, etc.
- Interchangeable side glass new bagging rack (of 2 different sizes), to support different workflow directions.
- Additional bagging rack option at the rear of the dump area gives more storage space during busy periods.
- Wrap and chip bag storage located beneath the chip dump area.
- Salt shaker holder included

Chip Scoop EQTR3670
