

14 Lane Food Chute

Vizu Two Tier Food Chute FC14

- As with the smaller unit (EQVI017) – p6, the FC14 is a heated Pass Through unit with adjustable lanes and food labels – to be used only to maintain temperature.
- This unit is also available with a wrapstand (EQVIFC14WC)

Code	Width (mm)	Depth (mm)	Height (mm)	Weight (kg)	Voltage (V)	Wattage (KW)	Amps (A)
EQVIBC14	1200	785	780	95	230	4.8	20.9
