

Mosaic

DR120K

Fuel Type

Wood

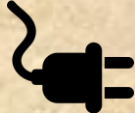

Oven Type

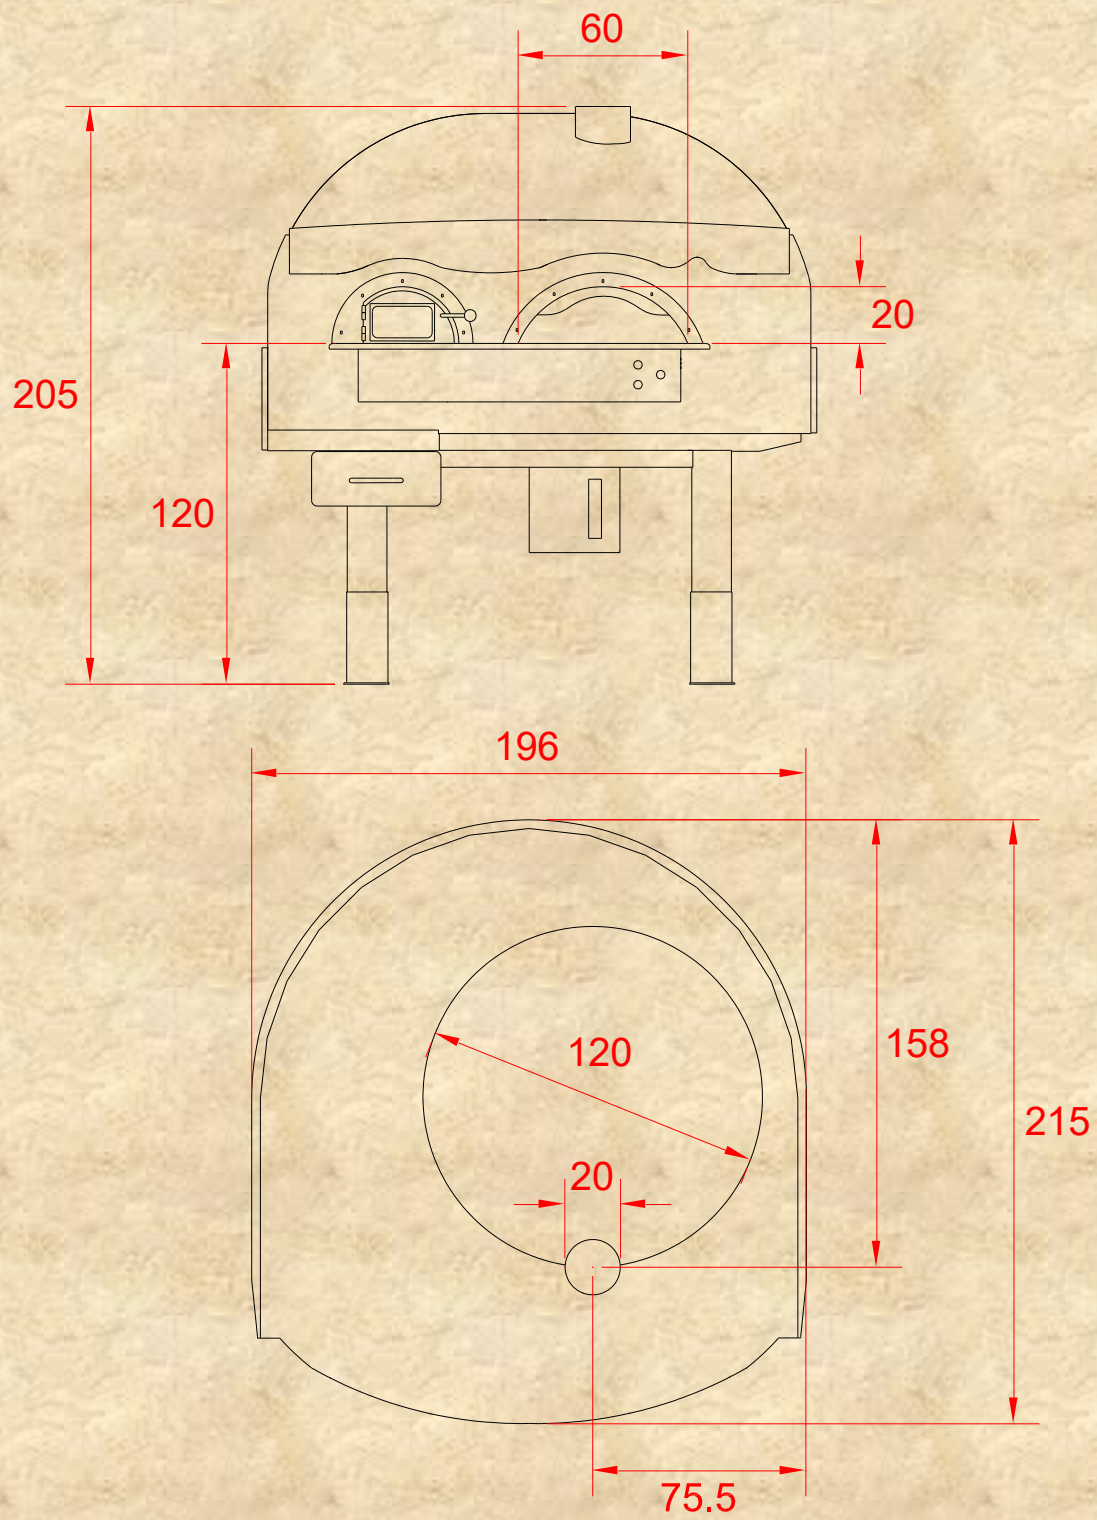

Rotary

Silicone Coating

Cupola design wood oven with rotating base. Very attractive and elegant with double door – one for the main baking chamber and additional door for the wood burning chamber. A separate drawer for the wood burning ashes. In addition to all of this you have a fully adjustable rotating base. Modern wood oven with very high durability and efficiency – this is what this model offers. Produced in two designs – silicone coating and mosaic finish with various colour options.
