

MIX120R

Basic Design

Fuel Type	Wood & Gas
Oven Type	Rotary
Basic design mixed fuel (wood and gas) oven with rotating base. Simple and elegant design with brick façade, double door – one for the main baking chamber and additional door for the wood burning chamber. A separate drawer for the wood burning ashes and a gas burner with adjustable power. Optionally additional burner for the basis heating may be requested. In addition to all of this you have a fully adjustable rotating base. Classical and preferred mixed oven with very high durability – this is what this current oven offers.	

Capacity	9  30 cm		Thermal Power	26 kW
