# musical composers

***A música não pode, evidentemente, descrever com precisão. Seu domínio é o do acordar das sensações.*** Alfred Cortot

Disponível em diversas versões, medidas, cores e acabamentos, a vitrina Bellini foi desenhada em linha com o balcão Mozart para permitir a criação de configurações particularmente equilibradas e harmoniosas.

Compacta, delicada e afirmativa. A Bellini serve os espaços pequenos mas os mais requintados, exaltando os sabores e aromas envolventes.

***La música no puede, evidentemente, describir con precisión. Su dominio es el del despertar de las sensaciones.*** Alfred Cortot

Disponible en diversas versiones, medidas, colores y acabados, la vitrina Bellini fue diseñada en línea con la barra Mozart para permitir la creación de configuraciones particularmente equilibradas y armoniosas.

Compacta, delicada y afirmativa. La Bellini sirve a los espacios pequeños pero a los más refinados, exaltando los sabores y aromas envolventes.

***Music cannot describe accurately. Its domain is the wake of sensations.***  
Alfred Cortot

Available in several versions, measures, colours and finishes, the display case Bellini was designed in line with the counter Mozart to allow the creation of particularly balanced and harmonious configurations.

Compact, delicate and affirmative. Bellini serves the most exquisite small spaces, exalting the surrounding flavours and aromas.

***La musique ne peut pas, bien sûr, décrire avec précision. Son domaine est le réveil de sensations.*** Alfred Cortot

Disponible en plusieurs versions, mesures, couleurs et finitions, la vitrine Bellini a été conçue en conformité avec le comptoir Mozart pour permettre la création de configurations particulièrement équilibrée et harmonieuses.

Compacte, délicate et affirmative. La Bellini convient les petits espaces mais les plus exquis, exaltant les saveurs et les arômes environnants.

***Es kann natürlich nicht Aufgabe der Musik sein, genaue Beschreibungen zu liefern. Ihr Anliegen besteht vielmehr darin, Gefühle zu wecken.***  
Alfred Cortot

Die Kühlvitrine Bellini ist in verschiedenen Ausführungen erhältlich: Sowohl bei den Abmessungen, als auch bei den Farben und der Endbearbeitung bestehen diverse Optionen. Überdies wurde sie so konzipiert, dass sie perfekt auf den Ladentisch Mozart abgestimmt ist, wodurch eine besonders ausgewogene und harmonische Raumgestaltung ermöglicht wird.

Kompakt, elegant und ansprechend. Die Bellini-Vitrine eignet sich für kleinere Verkaufsflächen mit stilvollem Ambiente und bringt die verschiedenen Aromen bestens zur Geltung.
