**Fuel Type**

**Wood**

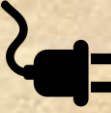

**Oven Type**

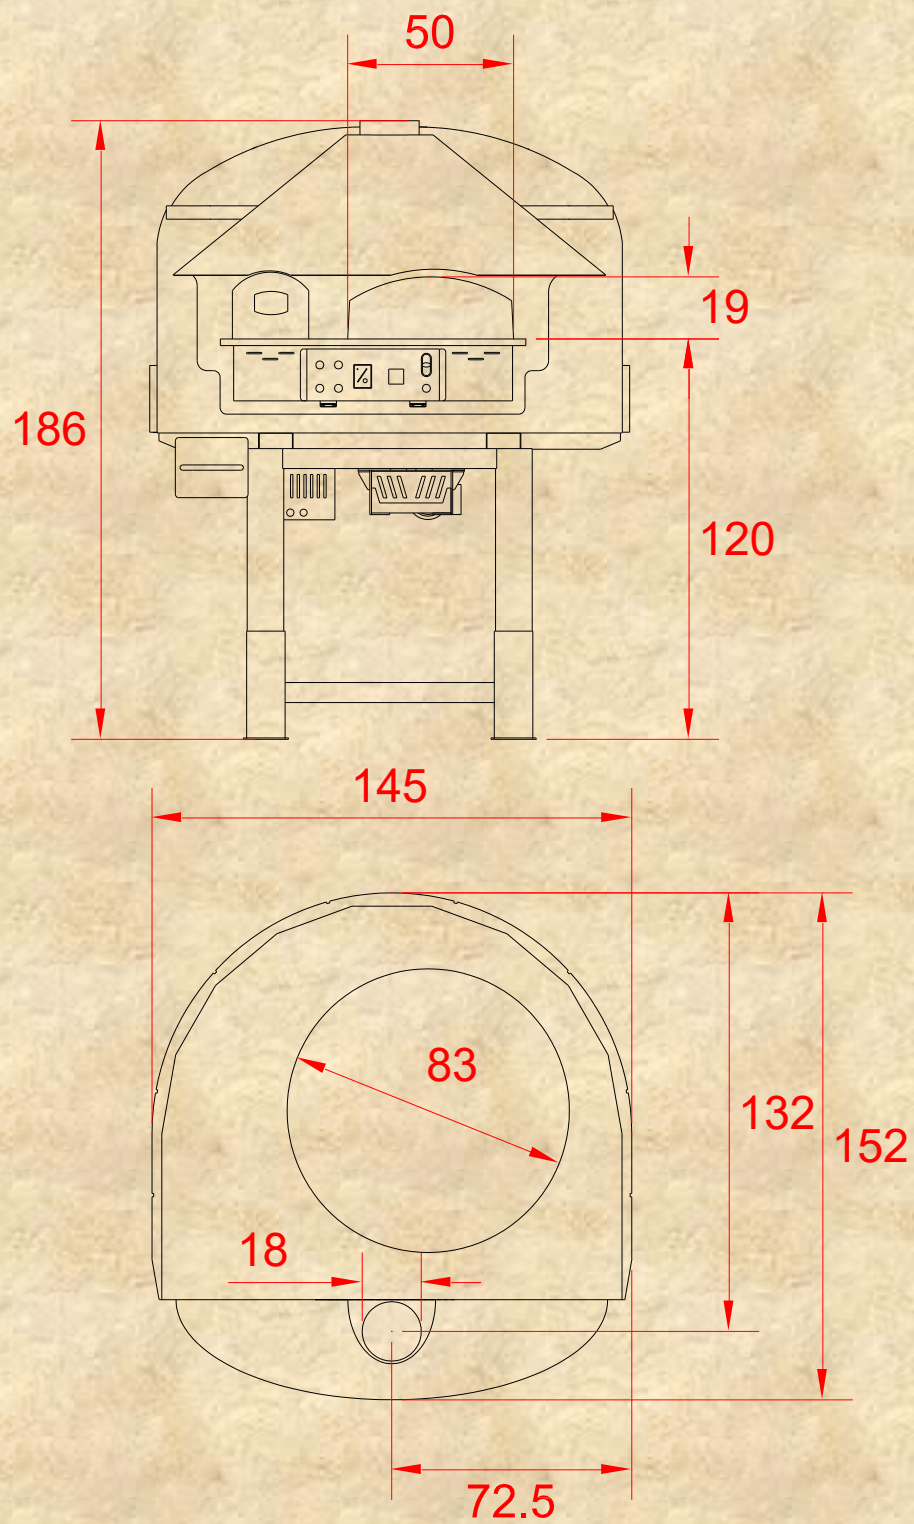

**Rotary**

**Silicone Coating**

Cupola design wood oven with rotating base in a very compact size. Very attractive and elegant with double door – one for the main baking chamber and additional door for the wood burning chamber. A separate drawer for the wood burning ashes. In addition to all of this you have a fully adjustable rotating base. Modern wood oven with very high durability and efficiency – this is what this model offers. Produced in two designs – silicone coating and mosaic finish with various colour options.
