

TWIN HEAD-CF

Supermarket Cooler / Freezer

Product features:

- Freezer / Cooler
- Occupies less floor space
- Increased reliability
- Low energy consumption
- Save on total expenses (operation plus investment costs)
- Bumper bars
- Static cooling
- Automatic defrost
- 2 cooling systems for redundancy
- Ticket strips as accessory

Island installation

Supermarket freezer in need of less floorspace

The TWIN range, with its double cooling system, features innovative design. It reduces the amount of floor space needed and running costs, whilst increasing reliability. Instead of putting two freezers back-to-back, the TWIN is built as a single unit with no partition.

The result is more space for content with a smaller footprint. The units are ideal for supermarkets or grocery stores with limited space, as they have the same volume in litres as two standard freezers of the same length, despite less depth. The space-saving can be used for more rows of freezer islands or to make more room for customers.

Automatic defrosting and LED lighting are of course standard. The range also features a flexible version, able to switch between cooling and freezing.

Design and Material		M		Power and Consumption		
Lid No & Type	2 curved sliding temp. glass lids	Temperature Range	°C -24 to -18 / -1 to +15	Energy Class	A-G	C
Basket No & Type		Climate Class	3	Energy Consumption	kWh/24h	4,1
Dividers	Divider system	Gross / Net Weight	kg 125 / 85	Annual Energy	kWh/year	1496
Number of dividers	pcs 3	Gross / Net Volume	l 425 / 334	EEl		34
Feet / Legs	4 adjustable legs	Total Display Area	m² 0,65	Input Power	W	267
Exterior Finish	White	Cooling and Functions			Voltage / Frequency	V/Hz 220-240/50
