

WRAP STAND RANGE

VIZU WR5 RELISH STATION

- A simple and convenient solution to a busy shop requiring easy access for high pace relish application and wrapping.
- Allows for counter top mounting with ergonomically angled relish rack for quick access when building sandwich layers.
- Once you have completed the sandwich the handy wrap station is located above.
- Full stainless steel construction
- Wrap dividers allow for 3 different wrapping types
- Wrap flaps prevent wrap packaging from blowing away in the wind
- Fully welded front fabrication makes for easy cleaning
- Ridged design stiffened with clever design
- Sturdy and stable 'Stainless Box Tube' construction
- Other sizes and mounting options available
